**2 JAR
PINE WOOD BASKET**

RS - 150/-

A rectangular wooden tray with a gold-colored texture. The tray is made of light-colored wood, possibly pine, and has a gold-colored finish applied to its sides and the top edge. It is shown from a side-on perspective, resting on a light-colored surface. The background is a wooden wall with vertical grain. The tray has a simple, functional design with a flat base and raised sides.
